

TARGETS 2021

Writing:

2021 start up data: 64% are At/Above expectation. 42/75 36% is below expectation (32 students at risk of not achieving / progressing & 10 students not achieving)

1. Our target is to move 86% of the students up one year level.

Only 43% of our boys are achieving At/Above expectation for the start of the year.

2. Our target is to have 60% boys achieving At/Above expectation by the end of the year.

Reading:

2020 end of year data: 74% (83/112) students were achieving At/Above expectation.

1. Our target is to move 86% of the students up one year level.

Mathematics:

2020 end of year data: 86% (96/112) students were achieving At/Above expectation.

1. Our target is to move 86% of the students up one year level

Non Curriculum Target:

- Resilience - to increase the number of students able to demonstrate skills and strategies to overcome challenges
